## Welcome to

# EXCEL!!!

ENGLISH INSTITUTE

Excel English Institute offers three intensive programs, four elective courses, and a customized class program for non-native speakers of English to achieve their specific language proficiency goals.

### **Intensive Programs**

Excel's intensive programs are all 18 hours per week. Students are able to choose from three ESL programs to develop their English proficiency in order to succeed in their academic or professional endeavors.

#### **Intensive English Program**

Our premier program is the Intensive English Program. This ESL program is divided into three levels of instruction – Beginning, Intermediate, and Advanced. Each level is divided into six 4-week sections. Within each section, students take courses in grammar, writing, reading, and listening and speaking, which are designed to help students develop proficiency to communicate with American speakers both orally and in writing. The goal of this program is to help students advance academically and professionally.

#### **TOEFL Test Preparation Program**

For students who aspire to enter a university, Excel offers a TOEFL Test Preparation course. Is designed to provide strategies and coaching to achieve optimal scores on the TOEFL test. Our TOEFL students are tested regularly to determine which areas of study

need additional attention in order to maximize test results. The program is divided into three 4-week sections, which may be taken independently.

#### **Business English Program**

The Business English Program is a two-month course designed for students with advanced proficiency who desire to become more fluent and confident and help increase their career prospects. The course reflects latest trends in business and helps students encounter American business culture, develop grammar skills to be successful in the American business environment, and develop the communication skills needed to thrive in an American professional workplace.

## Accent Reduction Program

Excel offers Accent Reduction classes for those who wish to improve their pronunciation and articulation skills. This elective program is designed to enhance English speaking and articulation skills and build confidence in producing and understanding standard American English.

## Elective Courses

Excel's elective courses are all 3 hours per week of classroom instruction and 12 hours per 4-week session. Students can choose from four programs designed to increase a student's fluency and proficiency.

### Pronunciation and Conversation

Excel's Pronunciation and Conversation Program has three distinct levels designed to help Beginning, Intermediate, and Advanced students to speak more clearly, confidently, and accurately. Each level has three 4-week sections. The course covers important topics from all aspects of pronunciation – sounds, stress, rhythm, and intonation. Activities will give students opportunities to improve their pronunciation and communication skills in context.

### Ted Talks

The Ted Talks Program develops essential knowledge and skills for learners to succeed in today's global society. This course teaches core academic language skills and incorporates current and relevant themes and skills such as global awareness, information literacy, and critical thinking. This three-month course is for students with advanced level proficiency.

### Idioms, Expressions, and Fluency

This conversationally-oriented program helps students encounter high-frequency American English idioms and expressions. The program has three distinct levels to accommodate Beginning, Intermediate, and Advanced students. Each level consists of three 4-week sections. The program is designed to help students improve listening and speaking skills and develop effective communication in English.
